# FOREWORD

*From a Proud Heritage Comes a  
Shining Future.*

Down through the years, Pinkerton students have always been proud of their heritage. The Class of 1966 is no exception. In this, the 150th year during which classes have been held at the Academy, we are especially aware and proud of Pinkerton's traditions. In our years here we have learned to respect the old as well as the new.

The future, shining before us, is filled with prospects made possible by our years at Pinkerton. The influence of the Academy will be with us throughout our lives. In the years ahead, our Critic will serve as a reminder of our Pinkerton heritage.

# Awakening A Lasting Curiosity In Us

"If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, if we imbue them with principles, with just fear of God and love of our fellowmen, we engrave on those tablets something which will brighten to all eternity."

# Events And Personalities Make Lasting

## Senior Class History

With a feeling of expectancy and a bit of apprehension, we entered Pinkerton Academy as Freshmen in September 1962. We were formally welcomed as students of the Academy by the Juniors on Initiation Day when they compelled us to dress in outlandish costumes including bathing caps and nylon stocking hats. Shortly after Initiation, we were welcomed by the Seniors at the Freshman Reception.

At our first class meeting, Mrs. Hamill and Mr. Collier were appointed our class advisers. The newly elected officers of our class were: President, Kurt Clapp; Vice President, Jean Kasper; Student Council, Anne Powers and Mark Whitehouse; Secretary, Patricia Pelletier; and Treasurer, Richard Roy. After much discussion, we chose blue and gold as our class colors and soon our class banner, made by

Patricia Pelletier, was hanging in the Chapel. We also decided upon our class cheer.

In our Sophomore year, our class was enlarged by the Derry students from Hood Jr. High. On Initiation day, the new students had their turn at dressing up. At the Sophomore Reception, our class was officially united.

Officers elected for our sophomore year were: President, Steve Young; Vice President, Joanne Banister; Secretary, Patricia Pelletier; Treasurer, Kenneth Simpson; Student Council, Mary Flanders and Mark Whitehouse. We might add that we were very pleased that Mary Flanders was elected secretary of the Student Council. For our class advisers, we chose Miss Blakeslee and Mr. Saulnier.

As school activities began, we were pleased with the response of the sophomores who

showed interest in many activities.

September, 1964 found us looking forward to the activities of our first year as upperclassmen. We had the same roster of class officers with two exceptions. Patricia DeRemer became Vice President and Steve Breen, our new Student Council representative. Mr. Saulnier and Miss Jackman became our advisers.

Activities began with football and the junior class was well represented on the field as were the junior girls on the Varsity Cheering Squad.

Before we realized it, it was time to choose a theme and committees for our prom. When

# Impression On Class Of 1966

the long awaited evening arrived, everyone more than enjoyed being "In the Misty Moonlight." Truly, it was a night to be remembered.

The most memorable event for our class was the production of our Junior Play, "Come Over to Our House." The cast was superb and the play, a delight.

Sandra Pelletier was selected to be our delegate to Girls' State, while Kenny Simpson and Steve Young went to Boys' State.

Other students who brought honor to the class were Sheila Feeney, who won the Declamation Contest with her entry "Milady's Milliner" and Ann Powers who placed first in the Voice of Democracy Contest in Rockingham County, third in the state of New Hampshire, and received Honorable Mention in National Competition.

In no time the seniors became engaged in the many sports and club activities offered at the Academy.

Our class was happy to continue the tradition of celebrating Senior Spirit Week, the week preceding the last football game. A special indoor pep rally highlighted the week of activities. Our football team put forth its best under Captain Robert Dolloff and we were really proud.

The Senior play "More Than Welcome" was very successful. Undoubtedly it will be one of the best memories of our senior year.

The taking of senior pictures and the measuring for caps and gowns reminded us that our few short years at Pinkerton were coming to a close. Our last activities included the Senior Banquet and the Senior Howl. Soon followed practicing for Baccalaureate, Class Day, Graduation, and the taking of final exams. On Graduation Day, as we received our diplomas and said good-bye to the faculty and our classmates, we knew our years at Pinkerton were over. Each of us knew that Pinkerton had prepared us for a promising future and we would all hold the Academy in our hearts.

In September of 1965, our class returned to school enthusiastically because this was the year. We were finally seniors!

Our first senior meeting was called to elect officers, and we kept the same roster.

Our first senior activity was The Corn Roast. It was indeed a lovely autumn evening spent at Chase's Grove where we had a cook-out and later dancing.

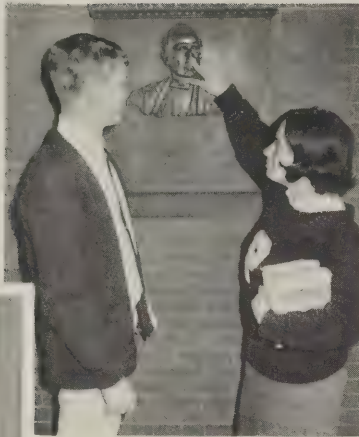

In November the seniors welcomed the freshmen to the school by giving them a reception.

Since late October the Critic Staff has been hard at work, hoping to make this year's Critic the best ever. The members of the Literary Staff have spent many hours planning the theme, writing copy, gathering pictures, and doing the myriad things necessary to make an interesting yearbook.

The Business Staff, with equal zeal, has solicited ads. Without the generous support of the businessmen of Derry and the surrounding towns, our yearbook would not be a success.

Pinkerton Academy Band

## *Band and Chorus*

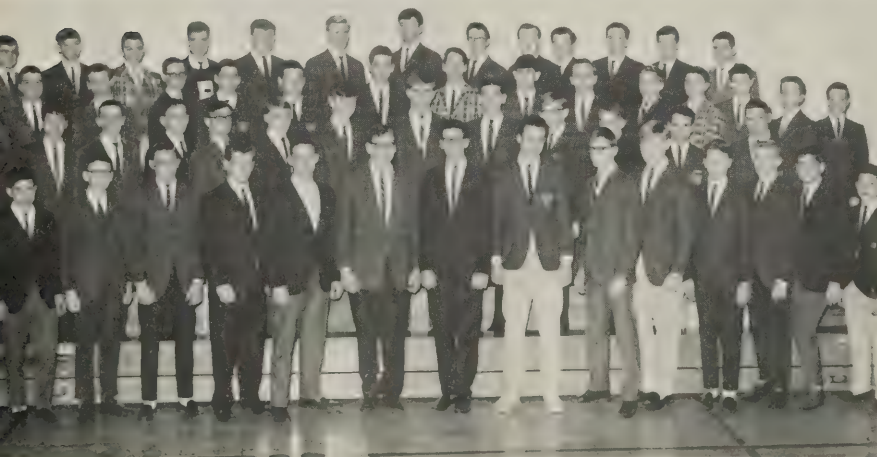

### BAND

The flourishing Pinkerton Academy Band has a membership of eighty-one, a considerable increase over previous years. The concert band, under the capable direction of Mr. Robert Hutchins, has presented successful Christmas and Spring Concerts.

The Marching Band and Color Guard have participated in both the Veterans Day and the Memorial Day parades and have added a colorful and entertaining half-time show at our home football games.

Something new! Pinkerton Academy's Pep Band, consisting of twenty-three self-directed members, has added a great boost of school spirit to our basketball games.

### CHAPEL CHOIR

Under the direction of Mr. Hutchins, the Chapel Choir is a selective group of twenty voices that sing music of a more difficult nature than that of the Glee Club. This affords the experienced singers the opportunity to participate in a select group.

Membership of Chapel Choir is determined by an audition. After the group is chosen, there are rehearsals held on Thursday evenings. Rehearsals, of course, become more frequent as concert time approaches, but in the end, all the practicing is worth the effort because the singing brings much enjoyment to the public.

#### NATIONAL HONOR SOCIETY

The National Honor Society consists of twenty seniors and juniors who are outstanding in academic achievement, character, leadership, and service. The Society undertakes projects that will benefit the student body. This year the Society was pleased to have as one of its major activities, the celebration of the one hundred-fiftieth anniversary of the first classes held at Pinkerton. Many com-

memorative events were planned during the week of Nov. 28 - Dec. 4. The exciting celebration was highlighted December 4th by a pageant to which alumni and friends were invited. Other activities of the group included tutoring students, operating a paperback Book Fair, setting up the Pinkerton Handbook, and organizing a College Night.

## *Style And Precision*

### MAJORETTES & COLOR GUARD

Wearing their bright red uniforms, the P. A. majorettes add color and precision to the marching band. Their snappy half-time routines are greatly enjoyed by the crowds at football games.

The Color Guard has also added a great deal to the band. In parades and at football games, they march ahead of the band, proudly carrying the flags of the United States and New Hampshire, and the colorful P. A. Banner.

### CHEERLEADERS

The cheerleaders make a vital contribution to the basketball and football seasons at the Academy. Precision, poise, and enthusiasm all go into the appearance of each girl in an effort to cheer our teams to victory.

The Pinkerton cheerleaders participate in many activities such as organizing the pep club, appearing in parades, and contributing support and school spirit at every game. Each cheerleader puts in much time and effort to make Pinkerton Academy's squad one of the best in New Hampshire.

## THE JUNIOR PROM

After many weeks of planning and much hard work, our magical evening arrived, February 15, 1965, the night of our Junior Prom. Entering the softly lighted gym, we beheld the magic our committees had wrought. On the stage was a flower-covered bridge, stretching across a shining stream. A gentle waterfall shimmered in the light of a golden moon and "In the Misty Moonlight" above us, was a floating white sky, twinkling with silver stars. Though our Prom was soon over, we shall ever remember it as the most beautiful night of our Junior year.

## SENIOR PLAY

At 8:00 P.M. on the nights of December 16 and 18, the excitement mounted behind the curtains as the cast prepared to present its final production. The play, **MORE THAN WELCOME**, was presented to capacity crowds, and was, perhaps, one of the finest plays given at the Academy. The delightful story of the trials of a Welcome Wagon lady was a resounding success, owing greatly to the capable direction of Miss Garland. The class also wishes to extend thanks to Miss Brown and Mr. Clay for their help in making the set. When the final curtain came down, the happy cast and their guests relaxed at a party in the cafeteria to celebrate the successful completion of another milestone in the saga of the class of 1966.

### **JUNIOR PLAY**

In May, 1965 the Junior Class presented the heart-warming, family comedy **COME OVER TO OUR HOUSE**. The expert direction of Miss Garland and the long hours given by the cast resulted in a play that was enjoyed by all who attended. Because we topped our goal and sold a record number of tickets, our play was considered a complete success.

The Class of 1966 will long remember the play as its first venture into the field of dramatics.

#### LATIN CLUB

The Latin Club this year has been under the able direction of Mrs. Susan Hehre. Throughout the year, the students participated in various projects, making their evenings well spent. The Latin Club fulfilled its purpose of furthering the knowledge of the Latin language and the heritage of the Roman people.

#### FRENCH CLUB

The French Club, with Mr. Desjardins as its adviser, tries to acquaint the members with France, her culture, and her people.

Activities this year included a film, a record hop, a food sale, a spring hop, and a discussion about France by one of our students who had lived there.

## *Spanish Club And Library Staff*

Students who are interested in Spanish and Latin American customs and cultures were welcomed in the club this year. At Christmas, the club sang Spanish carols at the homes of the faculty who live in the Village. After caroling, a party was held at the Haynes House. Interesting speakers and colored slides pertaining to several South American countries have been enjoyed by the members.

The Library Staff is an integral part of the Academy's heritage. Those who are on the staff are proud to contribute their time and effort in helping Miss Abbott to keep this department running smoothly. Along with the inevitable care of the library, such as checking books, keeping track of library permits, and reference materials, the staff is provided with an opportunity to understand the library's primary function — an instructional materials center.

For a number of years Mrs. Wheeler and Mr. Knowles have been assisted by students who are willing to give up their study periods to help. These young people deserve credit for their help and cooperation in the office.

The Debating Club is a new group organized this year for junior and senior girls. The skill in preparation and presentation of debates have been studied. Directed by Mr. St.

Gelais, the girls hope to be ready for competition with other schools next year.

The Pinkerton Aggie boys have an active club, the Clicking Clan Chapter which is part of the National Organization of the Future Farmers of America. William Gorton, Treasurer, was chosen N. H. Poultry Boy of the Year and received an expense-paid trip to Kansas City.

## FOOTBALL

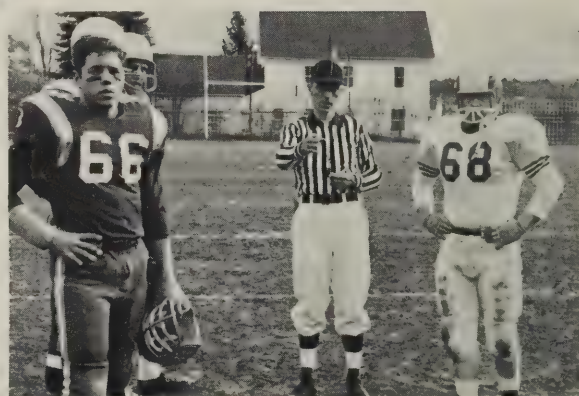

The 1965 football season was not one of the banner years for the coaching staff or the players. We put a great deal of effort into the preparation of the season and the results were disappointing. However, the boys must be given credit for never quitting on the field and displaying determination and spirit.

# *Provide Thrills During Football Season*

High point of the season would be the emergence of several promising underclassmen which foretells successful seasons ahead. The great dedication and fight of the seniors, led by Captain Bob Dolloff, served as an inspiration to the younger players as well as to the loyal fans.

## *P.A. Hoopsters*

The basketball team this year, though not as successful as we would have liked, did give the Pinkertonites something to be proud of.

Under the direction of Mr. Paquette, the Varsity team, headed by Captain Jim Lizotte, gave all they had and put up a good fight. Many of the games were so close that the fans were on their feet most of the time.

Next year's prospects are looking up, in that four of this year's varsity team will be returning to carry on the battle.

The J. V. and the Freshman teams, coached by Mr. Muller and Mr. Shoff, also gave the fans many exciting moments.

The students of Pinkerton Academy thank the team for their fine display of sportsmanship, hustle, and determination.

## BASKETBALL

The girls' basketball team, under the capable direction of Miss Martin, completed its season with a record of 7 wins and 7 losses.

Having lost most of the starting players through graduation last year, Coach Martin had her work cut out for her. She did an excellent job of rebuilding the team.

Although we didn't win all of our games, the season was most rewarding. The games were characterized by a spirit of fun, competition, and good sportsmanship.

The J. V. team, under Coach Cournoyer, also enjoyed a very successful year with a record of 7 wins and 6 losses. The season will be long remembered by all who participated.

## FIELD HOCKEY

In the fall of the year, the class field hockey teams organize and pit their skills against one another. In our Freshman year, owing to lack of experience, we were beaten in the majority of our games and finished in last position. Our luck and skill improved in our Sophomore year and we managed to claim third place. As we gained more experience, our team developed and in our Junior year, we played well enough to win second place. As our last year at the Academy started, we tried hard to win the championship, but were beaten by a strong Sophomore team; however, teamwork did pay off as we finished in second place.

In early January, the track boys start a training program to condition them for the strenuous spring season. This year the boys participated in several winter track meets. Coach Barksdale and the boys spend many hours in preparation for the track meets.

Baseball has long been a favorite sport at the Academy. As soon as the field is dry, the team begins practice. The busy two-game-a-week schedule culminates in the state play-offs. Pinkerton has had the honor of playing in such games several times.
